If you fail to plan, you are planning to fail.

Setting up a business in India has been liberalised over the years, still it requires company formation, approvals if required, legal compliances and registration with various authorities. We provide our clients Business Setup Solution based on “turnkey” methodology which takes care of approvals, legal compliances, registrations with authorities etc. to provide a ready to operate business setup in shortest possible time frame. mail@farhataas.com for more information.

Start with good plans. Start with us.

THANK YOU

We hope to work with you in the future
